To say the least, many ingredients played a part in our successful football season. Planning, organization, conditioning, enthusiasm, knowledge, discipline, talent, confidence, and administrative backing were all important factors.

Nevertheless, there was one ingredient in particular that contributed most — deep dedication to a goal. To explain this requires a careful look at some pertinent background.

Our desire for winning really had its beginning two years prior to the season in which it culminated. I had the good fortune of coaching some of the team members when they were in the tenth grade. It was at this point in their development that the groundwork was laid.

They told themselves that they could eventually be winners during their high school careers if they worked hard. Their method for attaining this goal was simple — be receptive to coaching, work hard to improve their ability through practicing and playing.

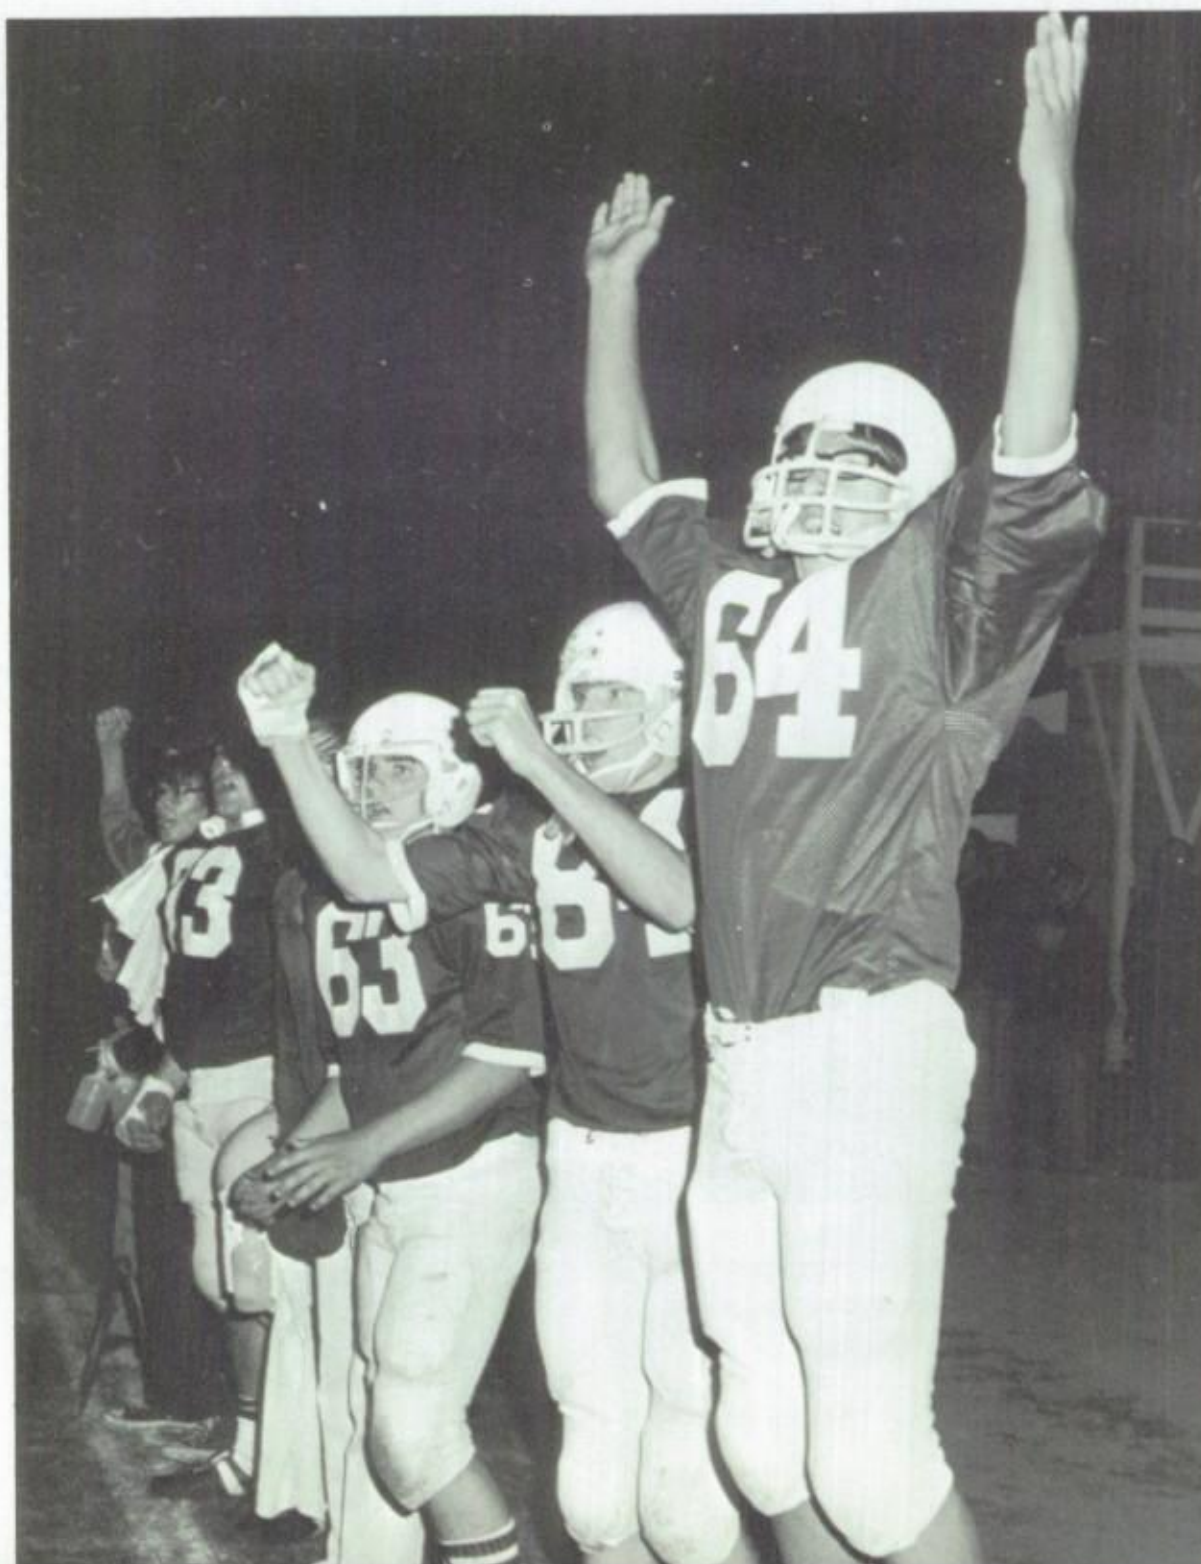

The players sensed the sincere interest that the coaches had for them as human beings. Out of this personal interest flourished the positive attitude on the part of the players — an attitude of mutual confidence in the coaches and players.

Last but not least another important phase in our winning season was administrative backing. This was coupled with student and community support. We received much inspiration from these sources. A "winning fever" engulfed our school and all were caught up in it especially the players. The players refused to let themselves as well as their followers down — and they didn't.

John Lockmiller, Chip Youster, Bob Zimmerman, Dan Beaton and Chuck Schoendorf try to analyze their offensive problems during the 27-0 loss to Clyde.

An enthusiastic bench shows its approval as Joe Vetell signals another Raider "touch-down".

Members of the student body were always on hand to express their school spirit and team support.

Key blocks by Bob Zimmerman and the rest of the backfield helped Chip Youster become the SLL scoring champion.

The Raider Cross Country Team had an outstanding year as they won 10 out of 11 dual meets. Only an opening meet loss to Fremont Ross marred an otherwise perfect record. The Raiders won big meet championships at the Lakota Invitational Suburban Lakes League, and Clyde Sectional. Only a sub par day in the district meet prevented the Raiders from a trip to the State.

Most of the fine success was the result of four outstanding senior runners. Allen Swaisgood recorded the second fastest time ever at Lakota, setting a new home course record, and raced to individual championship in 3 major meets. Gerard Gabel recorded the third fastest time ever as he earned his fourth varsity letter. During Gerard's career his teams won 37 meets and lost only two. Geary Wise became the seventh fastest runner as he won his third letter. Mark Munoz showed great dedication and improvement to move into the ninth spot on the all time list.

Four sophomores: Jeff Kline, Gerald Gavel, Dan Garcia, and Kevin Dawson developed and joined with the seniors to give this team excellent depth. Together they set a new record for the total time of the first five runners as they broke the old record set by the State Championship team of 1970.

The greatest of this team was not so much their outstanding record but their great closeness and pride. Certainly they greatly added to the tradition of running at Lakota.

Emotions Are Strong As Each

Near exhaustion is expressed by Al Swaisgood as he crosses the finish line in a new course record time of 9:58.

Mud-splattered and tired, Kevin Dawson reflects back on his race at the district meet.

Tom Hammer and Dan Davidson painfully wait in line to receive their tickets at Hedges Boyer Park.

Varsity Cagers Pave Way to Rewarding Season

Another two point jump shot is scored by Bob Podach against Woodmore.

Even though Scott Miller is guarded closely, he manages to sink a basket.

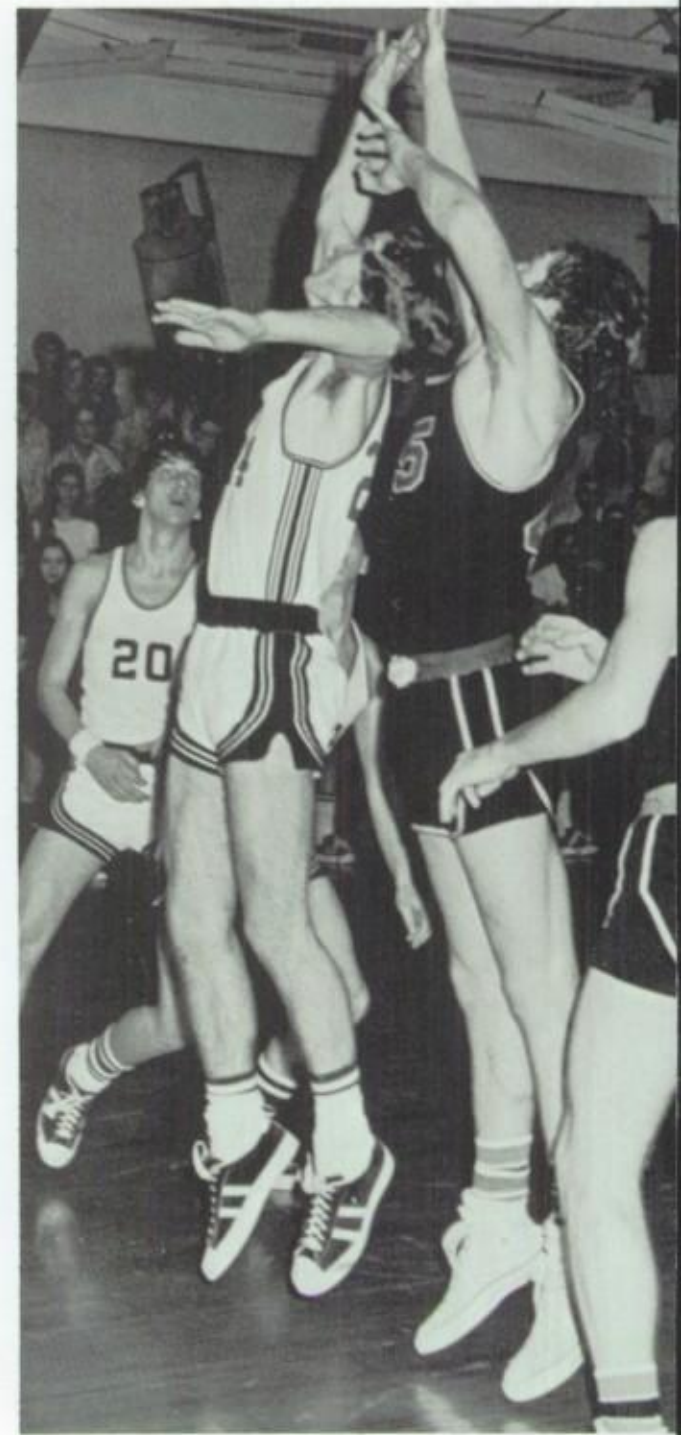

Gary Lentz out maneuvers his man as he drives the ball down the floor.

Larry Lentz, who led the Raiders scoring attack, takes advantage of a fast break for another two.

To capture a rebound is Mark Wise's main objective in this offensive play.

Our 1972-73 season was one of many ups and downs as we constantly were striving for improvement. Even though many times this did not come easy for the Raider team. A complete, dedicated effort was always evident. This speaks highly of the individual members and the team unit. Everyone who saw Lakota play basketball knew that hustle and desire were not lacking.

We did have individual effort and honors for some players this past season but undoubtedly the total team effort and united attitude accounted for most of our success.

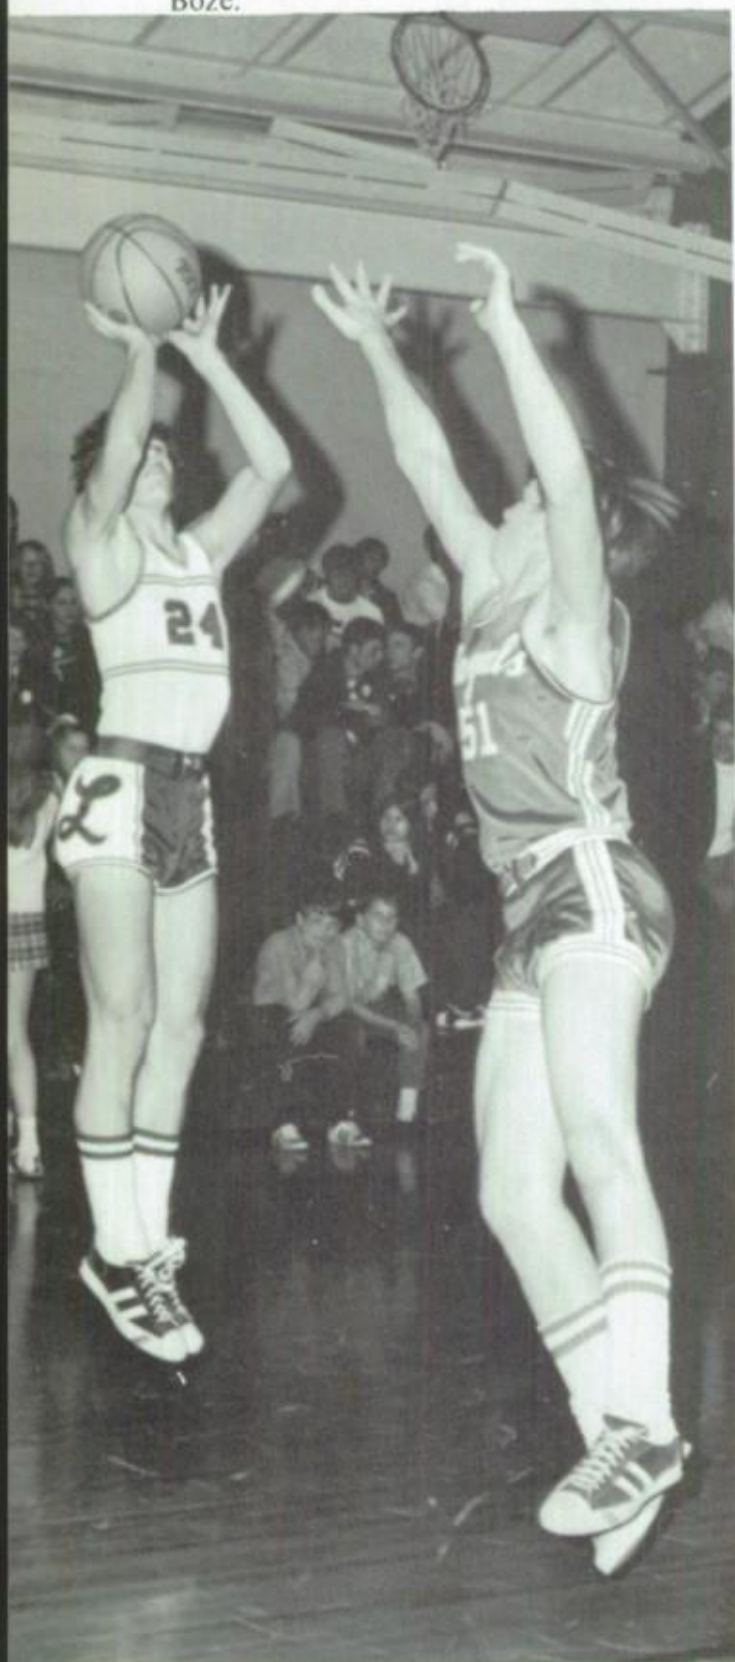

Many things were accomplished this season with attitude, desire, dedication, and skills. Hopefully Raider basketball teams of the future will be able to add to a fine tradition of unselfishness and effort that this year's team has begun.

The wrestling program this season developed into one of the best teams in the history of Lakota wrestling, and certainly the best for Coach Yount. The outstanding performances from the seven seniors on the squad enabled the other members of the team to improve of their wrestling for the coming years. With strong support from both the J. V. team and our following we were able to win the first Suburban Lakes League wrestling conference and send six wrestlers on to the district tournament, the most Lakota ever had. Several new records were also established by way of Al Nighswander's 16 pins, Jim Bond's 51 power points, and Tim Carter and Tom Hammer earning fourth year letters.

The J.V. team under the direction of Coach Lehman achieved an impressive 6-3 season.

Signs of determination are shown by Mark Allison as he heaves the discus for a lettering performance.

JUNIOR VARSITY CHEERLEADERS: Jane Harpster, Lynn Brickner, Deb Naderer, Deb Tahy, Lynn Strausbaugh, Susan Sams.

After two long weeks of preparation for the final try outs, varsity and reserve cheerleaders were chosen. During the summer, the varsity squad attended Waldenwoods Cheerleading Camp in Michigan, and the reserves attended a cheerleading clinic at Toledo University. Both the varsity and reserve learned many new cheers and chants to help boost Raider spirit. The last two weeks of summer found them practicing hard to be ready for the upcoming football season.

New uniforms were displayed during football and basketball seasons by both squads.

The freshmen cheerleaders were chosen at the beginning of the year. Varsity and reserves helped them during try outs and also during the school year. The freshmen squad acquired much ex-

perience, which will be valuable to them in later years.

The main job for the cheerleaders was to boost spirit. Numerous signs were made and posted throughout the school. Spirit soared in the many well planned pep rallies. Each team was cheered on to a successful season finish.

The cheerleaders also helped with the pep club. The pep club too displayed new uniforms. New cheers were taught, and the pep club appeared at most of the games to cheer the Raiders onto victory.

All cheerleading squads helped with the decoration of tables for both the Fall and Spring Sports Banquets.

A lot of teamwork was shown by the cheerleaders this year. Congratulations for a fine and successful year.

STUDENT LIFE

Rain Fails to Dampen Homecoming Spirit

HOMEcoming COURT: ROW 1: Sue Sams, sophomore attendant; Deb Heminger, freshman attendant; ROW 2: Barb Wonderly, junior attendant; Barb Stephenson, senior attendant; Terri Betts, queen.

The 1972-73 Homecoming Week, from beginning to end proved to be a definite success as all classes participated to their fullest. On Monday, the first annual Marshmallow Eating Contest took place with Ed Broski as the winner and Larry Lentz as the runnerup. The decorating of the school followed. Tuesday was football player recognition day with each class honoring their chosen player. The court was honored at an assembly Thursday, which also included such events as dress-up day and voting for Queen. Many activities the same night such as a Powder Puff Football game with the upperclassmen winning, a spirited bonfire with the Eastwood dummy burnt and skits rounded up a unifying day for all.

Despite extremely rainy weather Friday night, the game was played and spirits were high as the Raiders gave us a homecoming victory score of 48-12 over Eastwood. Pre-game activities included the crowning of Terri Betts as queen by Deb Stahl, 1971-72 queen. The dance finished the week on Saturday night with the queen and court reigning over the festivities. The theme this year was Sentimental Journey.

There were many new occurrences during homecoming this year and a great response came from all classes. All in all, a lot of school spirit was very obvious throughout the entire week.

Drum major Mark Wise was an inspiration to all beginning band members as he led them throughout the season.

Enthusiasm was shown by band members both on the field and in the stands as spirit soared throughout their section.

The band stands in concert formation as they play "Alexander's Ragtime Band" and entertain a Homecoming crowd.

Marchers Conclude Successful Season

It was the end of summer, August 16 to be exact, when the 1972 Raider Marching Band met for the first time under the direction of Miss Nancy Haffey. They practiced hard through the extremes of this summer, first blistering hot then tropical rains. Through it all marched these fine stepping Raiders and the moral went unblemished. They came on to perform numbers during their halftime shows and liven up school spirit. The team could always count on the band for support.

In addition to their outstanding work on the field the Band managed to gain enough money from Tag Day to buy new uniforms. Another money making project undertaken by the Band was the selling of calenders.

The Band also participated in Band Day at Bowling Green, the Tomato Festival Parade and numerous Halloween parades throughout the district.

The 1972-73 Student Council, led by President Geary Wise, began the school year in promoting school spirit by planning an outstanding homecoming activities week in early October. They then turned their effort toward improving school-community relations by initiating the formation of the first Lakota Faculty-Student Board, adopting a grandmother, and helping to acquire funds for the Glenn Massie Memorial Fund. All of these projects were in addition to the normal work load of assembly planning, workshop planning, and recognizing and attempting to solve problems.

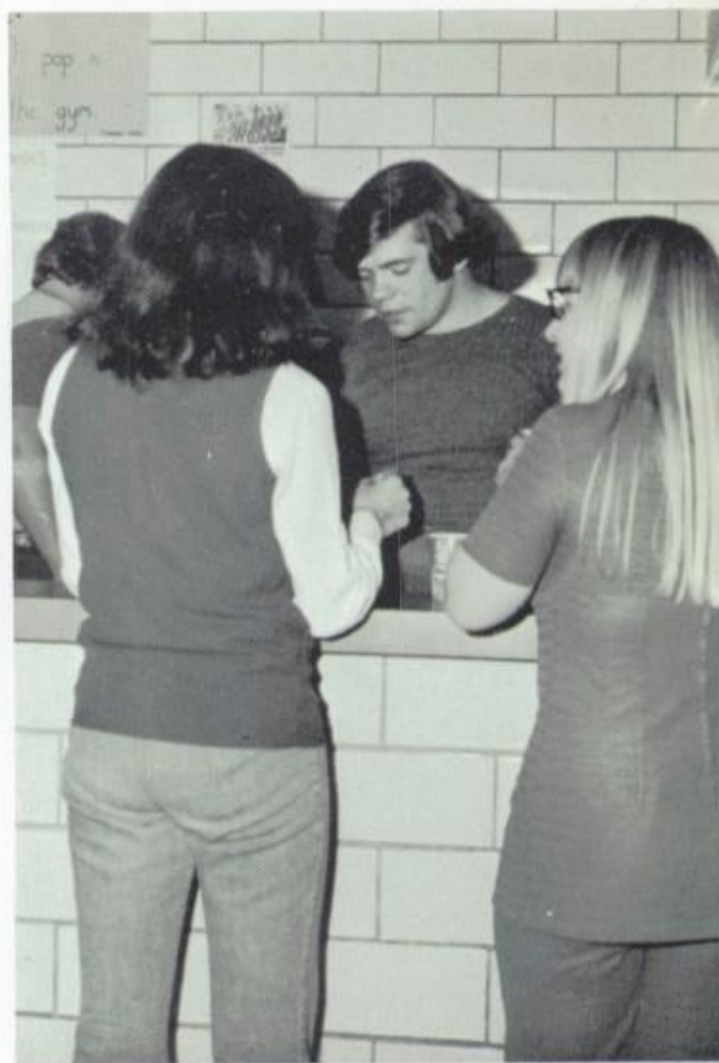

This year's Council was undoubtedly one of the most active and outstanding Student Councils at Lakota, and much of the success can be attributed to each of the interested members. As advisor, I would like to thank each member for his or her cooperation and association. To the senior members, I wish each of you wisdom and results in your future roles as leaders.

Seniors Work Diligently for Twelve Years

The senior year for a high school student is many things. Of course it is the homecoming, the prom, and student government day but for the Class of '73 it goes much further than this. It is the last high school football game, basketball game, or track meet you'll see where you can go up to your best friend or worst enemy and say "You ran a fine race" or "You're really doing great". It's the last time you'll see many of your friends that you may have known for 12 years. Your senior year is marked with many triumphs, many hardships, many disappointments, a great deal of work, and of course you have fun which seems to make it all worthwhile.

The Class of '73 graduates in a year that was marked with peace in a seemingly endless conflict and another spectacular moon voyage, which is significant of the world these seniors are entering. For some, this year meant passing a tough course, earning a varsity letter, or getting through with school; but to all it is a year to look back upon with pride while looking toward the future with dignity.

Juniors Attain Wisdom, Knowledge With Age

The junior class is led by pres. Judy Foos, vice pres. Kathy French, treas. Linda Feehan and reporter Mitch Haubert. Absent: sec. Sharon Shiley.

Half way through their high school years, a junior finds himself. His goals are no longer dreams but reality. He finds himself one year closer to graduation; one year closer to the grave decisions life may hold.

But being a junior is not all serious. One may look back on their previous years of school and laugh at the things they once did.

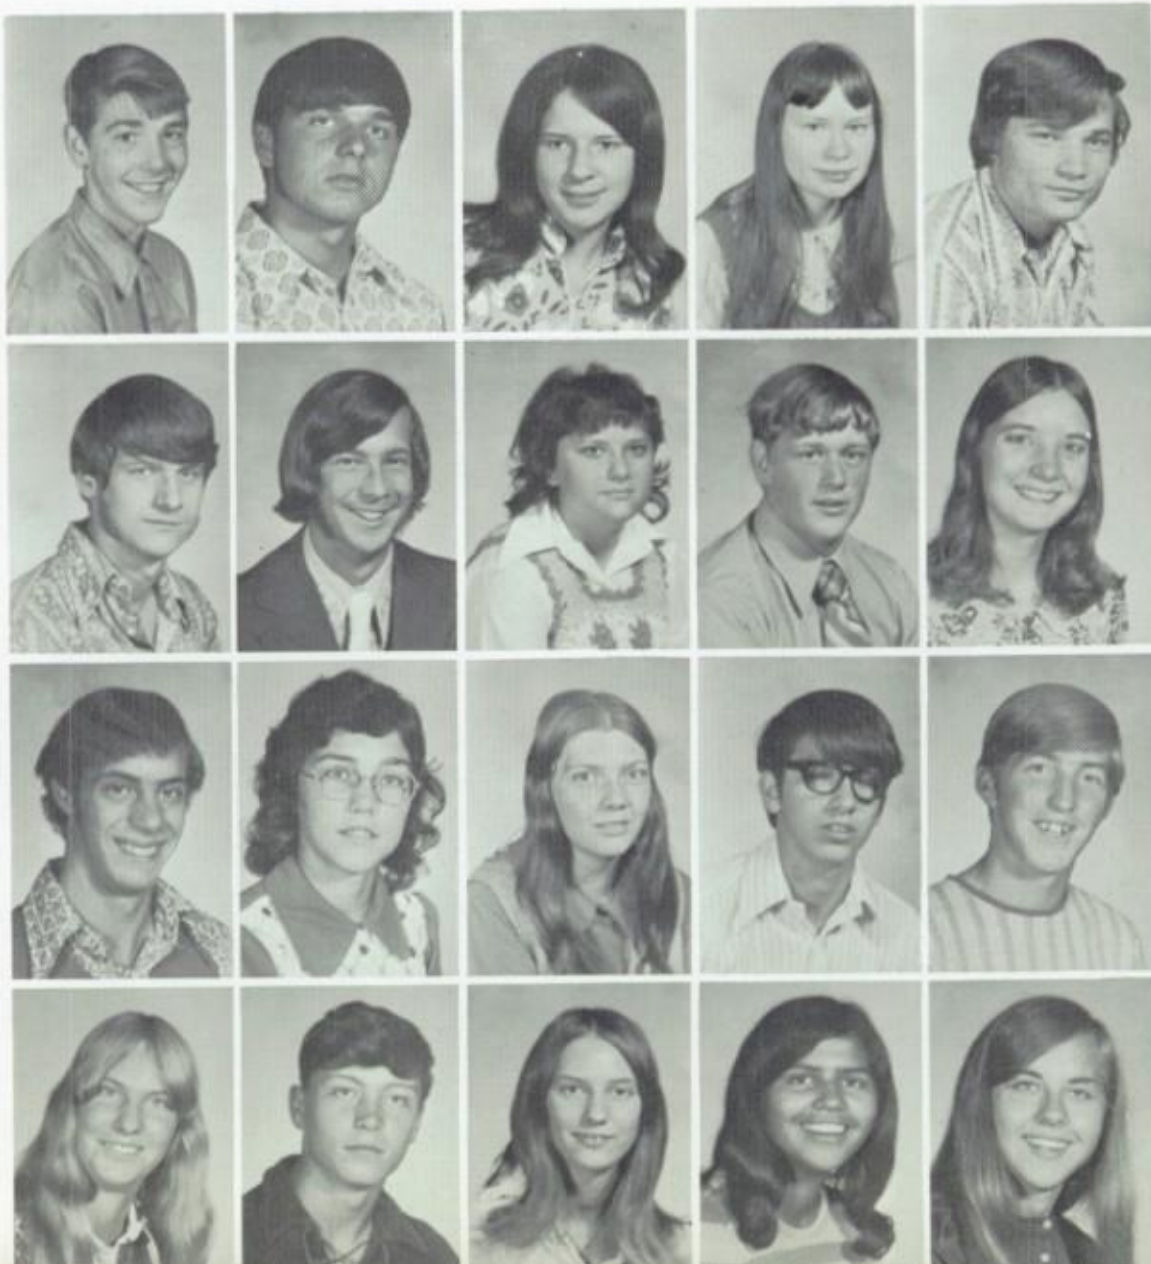

This years class may well look back on their successful candy sales, putting up and tearing down decorations for the prom. They may recall the great teamwork that won them the spirit stick at pep rallies, even though outnumbered nearly two to one by other classes.

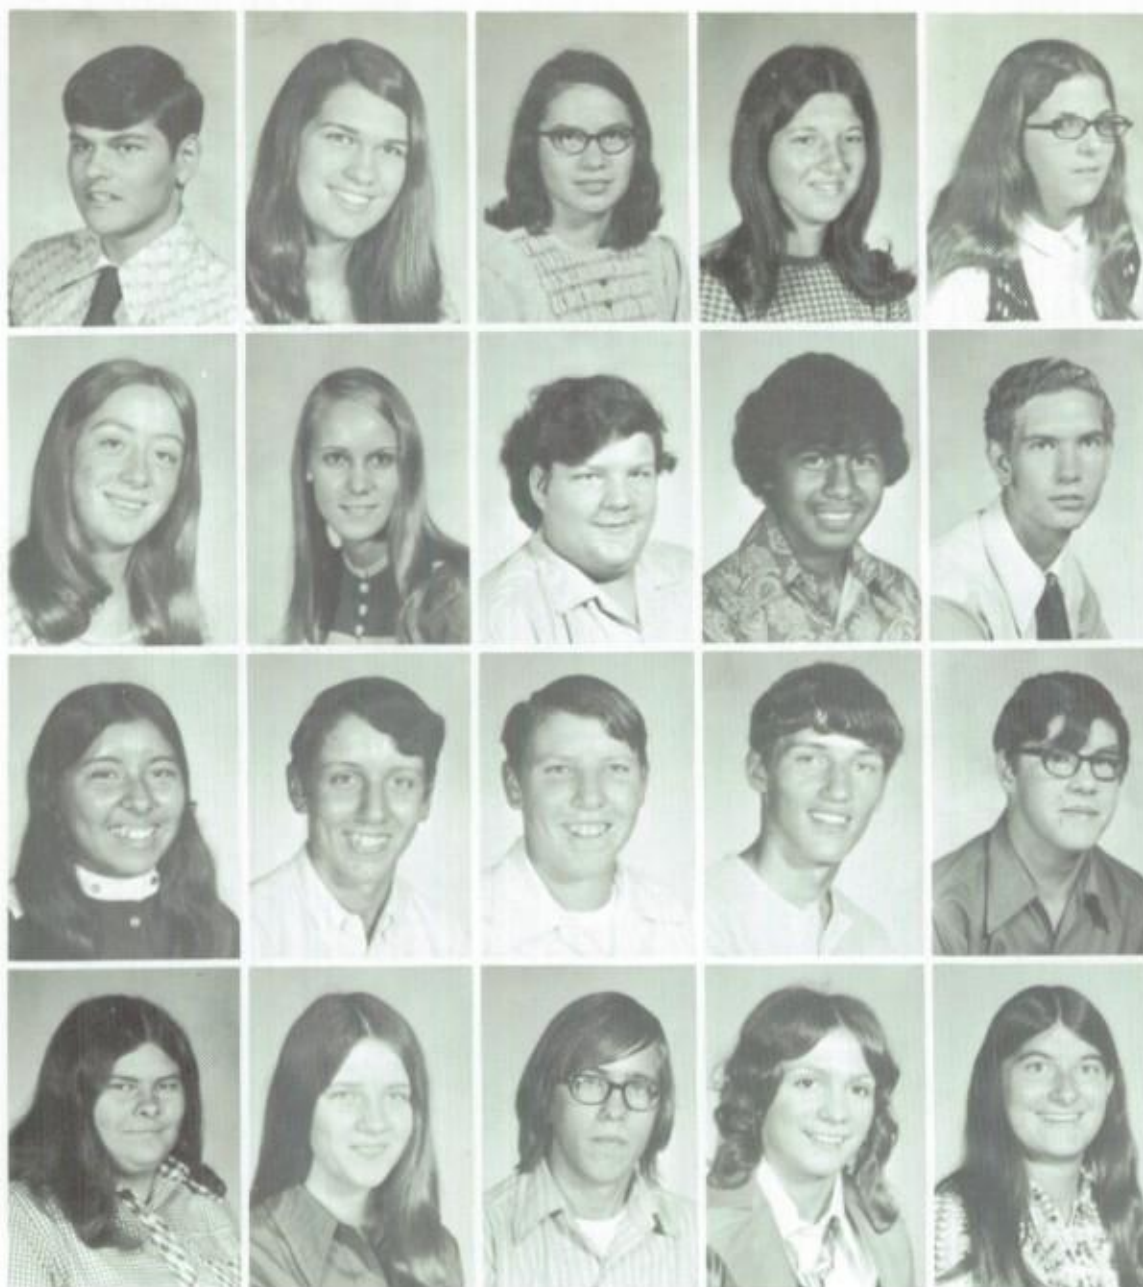

More than looking back, however, they will look ahead to their senior year, and all the responsibilities senior life brings.

Baby face Mitch, Goo Goo Gary, and Loser Larry return to their diapers for a homecoming football game, a skit presented by the juniors during homecoming festivities.

The class of '75 gained much during their second year at Lakota: knowledge of subjects, themselves, and others. They learned to work together as a whole, as shown by their many outstanding achievements. Their abilities were rewarded with a first place for homecoming decorating, winning the spirit jug several times, and increasing their class treasury with profits from a dance, a cake raffle, the sale of "Raider" buttons, and dues.

Their year was full of decisions, personal and public. Class rings were chosen in the early fall. Plans for the future were made through scheduling of further courses at Lakota or Vanguard. The whole year was a learning experience, between faculty and student, and among students themselves. Extracurricular activities enabled them to meet new people and develop socially.

Sophomores discovered the true meaning of friends as they learned to understand and accept themselves, other people, and situations for what they were as they searched for the purpose of their lives. Their year at Lakota was a good one, one to be cherished and remembered always. A year to build on. The class of '75 has a great future to look forward to. Sophomores have two more years at Lakota before they graduate in which to learn, encounter, and experience the mysteries of life. Time to prepare, plan, and execute their plans. Time to achieve, to fail, but to forever try.

Sophomores ponder a question raised at a class meeting.

Freshmen Prepare for the Road Ahead

Freshmen class officers start off with, Ron Conley, President; Tammy Stephenson, Vice President; Mary Spittler, Secretary; and Deb Tanner, Treasurer.

The class of '76 came to Lakota High and found many new and enlightening experiences — some rewarding, others exciting and even some depressing ones at first.

The freshmen chose their class officers as a whole class before coming to high school. The officers did a fantastic job of leading them through their first year at Lakota.

Also chosen by the entire class was the homecoming attendant, Miss Deb Heminger of Bradner.

Although they tried their hardest, the freshmen received fourth place in the homecoming decorations.

This year wouldn't have been such a great experience if it hadn't been for the helpful advice from their class advisors, Mr. Balsizer and Mr. Scherger.

This year was truly enriching in many ways for the class of '76. They will always remember these new experiences as they look at the years to come.

TOP ROW: John Ford, Ed Forster, Jo Ann Fosnaugh, Phylis Freeman, Tim Gangwer, Glenda Gordon, Joe Gosche, Tony Graber, ROW 2: Becky Graber, Jeff Graber, Lesa Gregg, Jeff Gschwind, Darrell Guhn, John Gwiner, Allen Halfhill, Roxanne Hammer, ROW 3: Dan Harden, Richard Harner, Vannessa Harshman, Deb Heminger, Rick Henry, Amanda Hernandez, Neil Huffman, Nancy Howell.

Freshman Excel in Various Class Activities

Papier-mache is a simple but messy task for Harry Cooper.

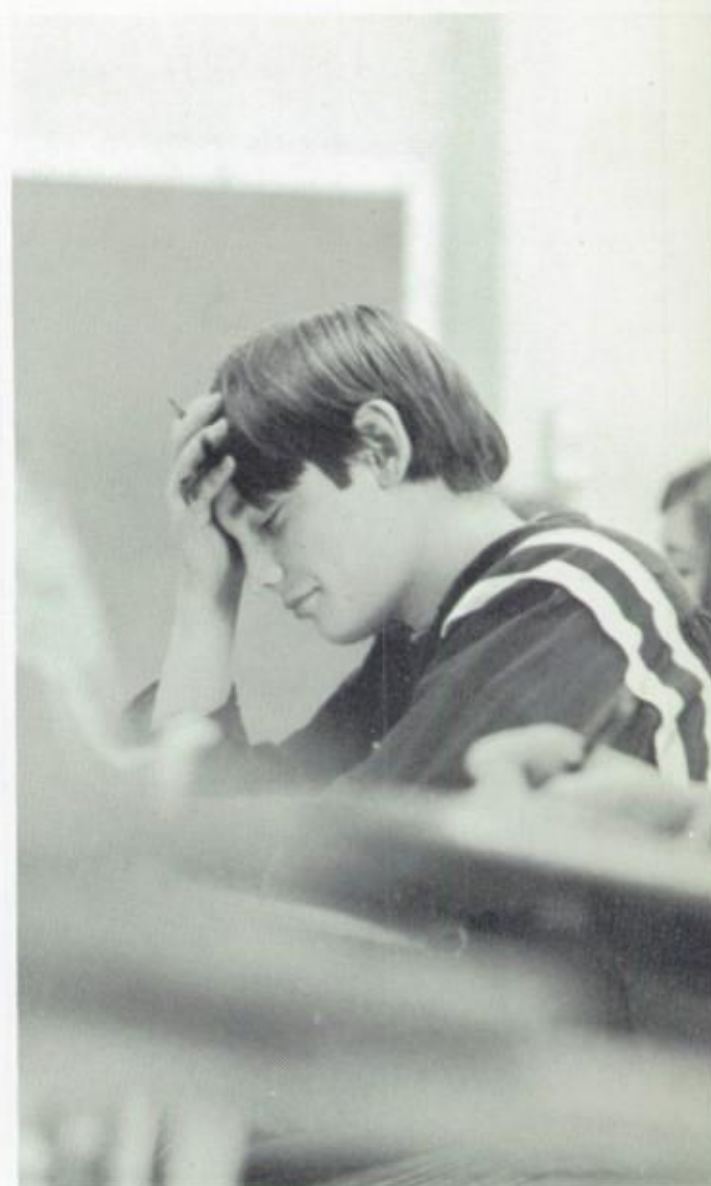

Drafting is no problem for Lanny Taylor and Jeff Carter.

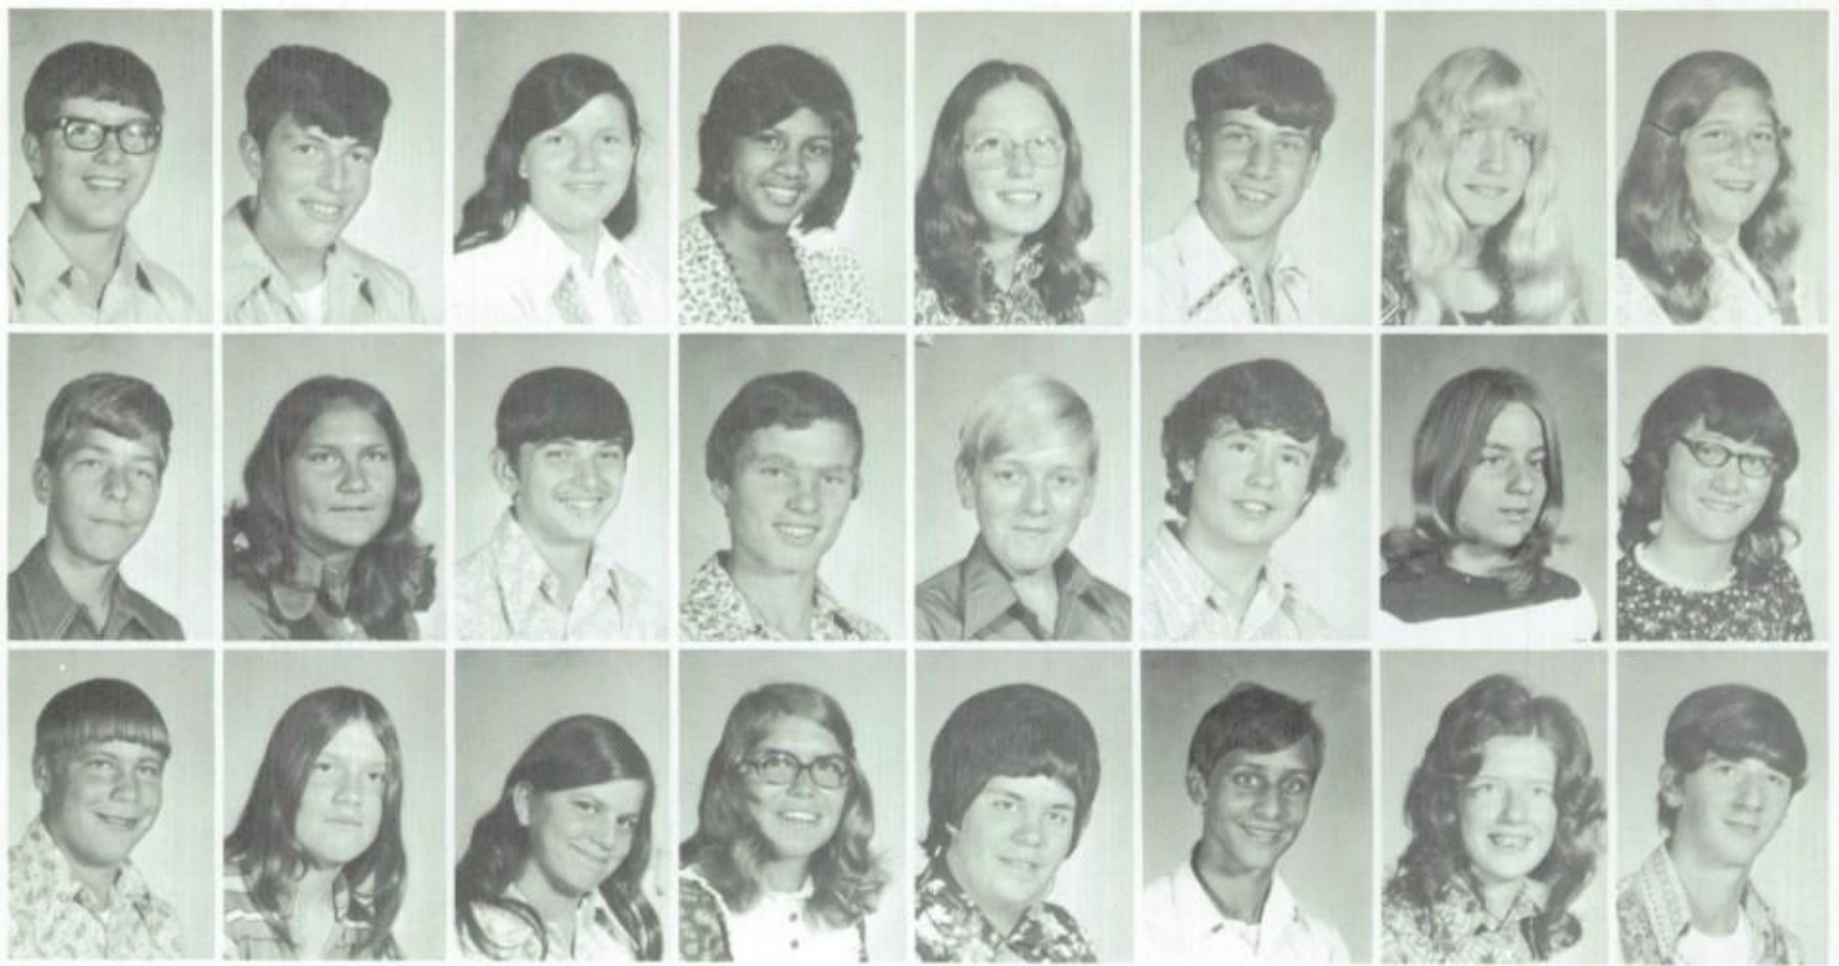

In Earth Science, Rose Jacksy, Jennie Miller, Julia Shaferly, and Mary Spittler seem very interested in the atom that Julie Allen is reading about.

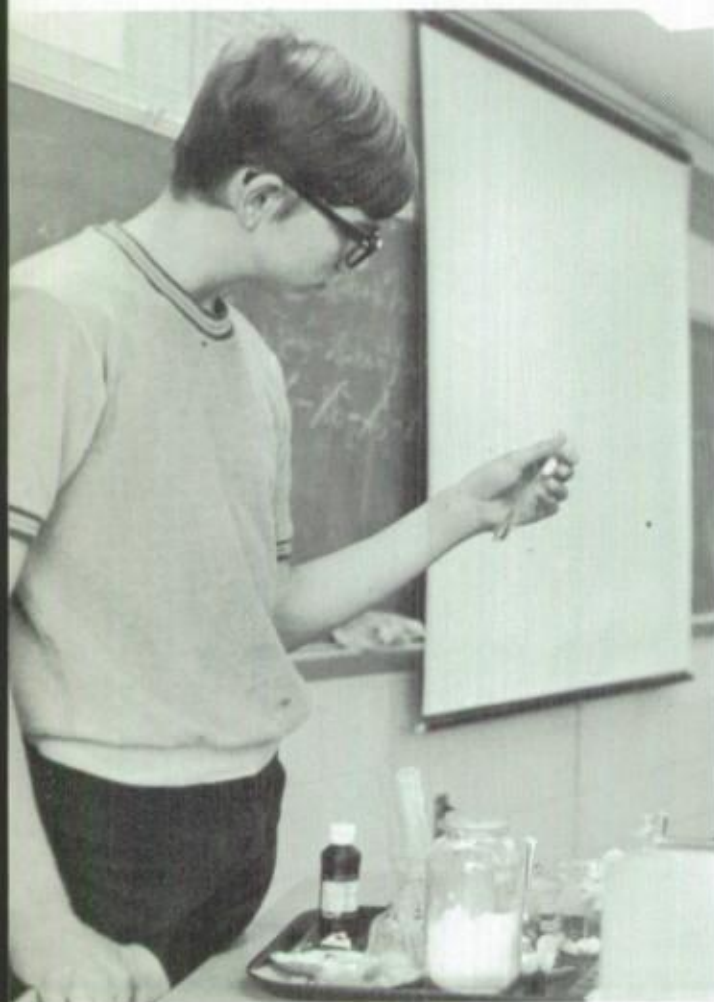

Concentration is the key word for Rick Henry in writing a composition for his Freshmen English Class.

TOP ROW: Don Huff, Jeff Huff, Diane Hufford, Mike Hufford, Rebecca Hull, Chris Ickes, Kathy Ireland, Steve Jacobs.
 ROW 2: Rose Jacksy, Judy Kammeyer, Fred Keith, Jim Kenyon, Scott Kirwen, Teresa Kosta, Rusty Krotzer, Richard Kubistek.
 ROW 3: Vickie Lahman, Ken Lambert, Crystall Lash, Lanny Leemaster, Gary Leshner, Tammy Little, Steve Loomis, Mary Longoria

TOP ROW: Paul Lucius, Robert Markel, Robin Markel, Sylvia Martinez, Debra Mayes, John McLaughlin, Jennie Miller, Karen Miller. ROW 2: Lavern Miller, Mary Jo Miller, Steve Miller, Charles Milton, Roger Morgart, Earl Morse, Julie Myers, Cindy Naderer. ROW 3: Craig Niest, Brenda Pelfree, Kathy Peppers, Carol Podach, Cindy Putnam, Steve Racheter, Becky Rausher, Lester Reasor.

Trying to meet her deadline Barb Patrick works on her outfit for home ec.

While explaining the results of his experiment, Allen Halfhill tries to figure out what went wrong.

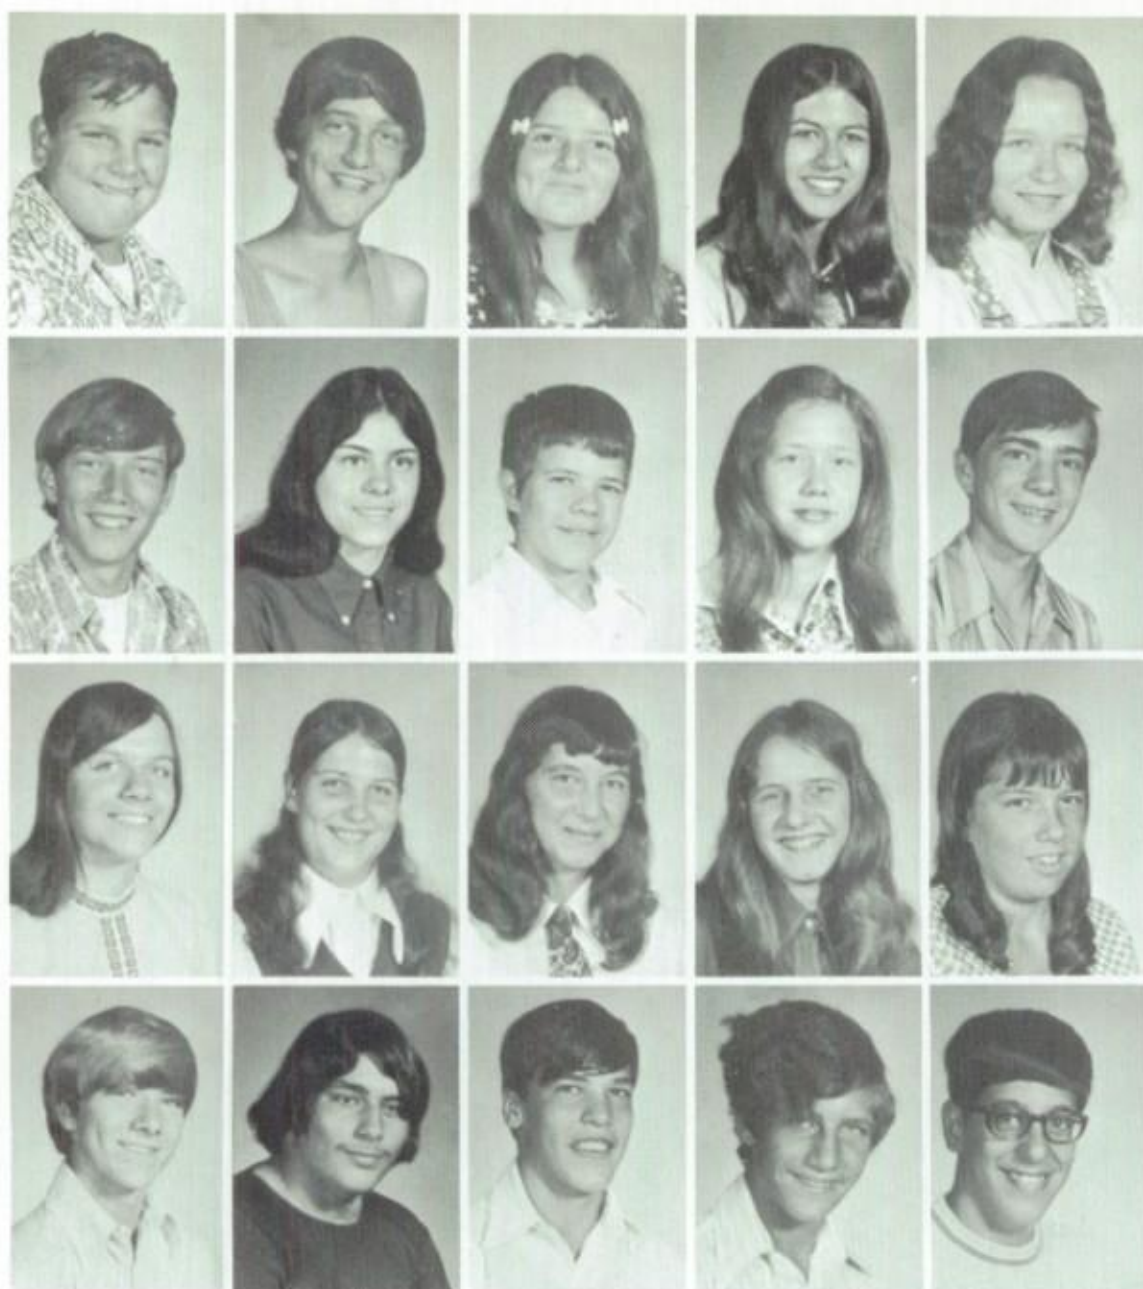

TOP ROW: Clarissa Reinhard, Ervin Reinhard, Ray Ritter, Debbie Rodacker, Cindy Sabo. ROW 2: Sandy Sabo Tom Sage, Elizabeth Salas, Judy Schade, Tracy Schmeltz. ROW 3: Julia Shaferly, Kim Shatzer, Brenda Shook, Teresa Shull, Paulette Shultz. ROW 4: Joel Siebenaller, Carla Smelser, John Smith, Louise Smith, Mark Smith.

Tony Graber and others practice very hard to make sure that the senior show is a great success.

Students Express Themselves by Hard Work

TOP ROW: Tom Smith, Bruce Snyder, Teresa Soule, Mary Spittler, Deb Stahl.
 ROW 2: Kenneth Stahl, Kay Stamper, Billy Stephenson, Tammy Stephenson,
 Tim Striff. ROW 3: Ellen Strong, Andria Swain, Kathy Swartz, Keitha Swartz,
 Deb Tanner. ROW 4: Lanny Taylor, Jim Tillotson, Larry Trumbo, Ira Turner,
 Rock Vetell.

Freshman Becky Graber shows the result of an unusual experiment in Earth Science.

Freshmen Year Is a Time for Hard Work

Making sure his work will be right Steve Miller measures his industrial arts work.

Art class is found enjoyable as Phyllis Freeman works on a weaving project.

Concentrating extra hard, Ed Forster makes sure his drawings are correct in industrial arts.

Eager to finish his assignments, typing I student Tom Smith concentrates with extra effort.

TOP ROW: Dennis Warren, Karen Wasserman, Dick Wasserman, John Weaver, Tracy Werling. ROW 2: Rick Williams, Eileen Wolf, Terry Woolard, Alan Babcock.
